With deep roots in the Atlanta music scene, the six members of RUMOURS ATL are professional musicians spanning the spectrum of genre-- folk, blues, country, rock, and everything in between-- in a variety of cover bands and original projects.

Despite these diverse origins, their passion for music and the mastery

with which they play it prepared them for the first RUMOURS rehearsal in a musky Atlanta basement in late 2014. And it is this professional approach to the craft that has propelled them to their status as one of the most highly regarded local tribute bands.

In just under 2 years, Rumours went from playing small bars to larger venues and elite private engagements.

Their dedication to recreating the Mac experience has skyrocketed them to local notoriety, packing houses and garnering a loyal fan base.

Tonight, the Marion Palace Theatre proudly joins the ranks of House of Blues, the legendary Daryl Hall's Club, and Disney Epcot's wildly popular Sounds Like Summer concert series in welcoming Rumours, who has

established its place as one of today's top tribute bands.

Do you believe in miracles? Do you believe in the ways of magic? Rumours does!
