A Note from the Director

Emily Yaksic

The legend of Robin Hood and his band of Merry Men has been around for generations. It's not surprising that this tale of bravery, heroism and friendship has been adapted for the screen and stage many times over. I wouldn't call myself a Robin Hood super fan, but I have seen my fair share of adaptations. I enjoyed the wonderful portrayals from both Errol Flynn and Kevin Costner, not to mention the comedic Mel Brooks adaptation and Disney animated classic. The performance you are about to see is a wonderfully fresh and funny take on this classic tale. Sit back, relax and get ready to watch over 65 talented young performers take you on a trip through Sherwood Forest! Huzzah!
