MARION COMMUNITY FOUNDATION

Last July we wondered how we would get through the COVID closure and if we would survive. Would we get to have a summer musical and put the season that we'd worked so hard to create on stage? Sadly, neither of those things happened.

But thanks to this community's generous residents, the support from our members and foundation donors, and grant dollars, we are still here putting great entertainment center stage. What a difference a year makes!

So much has changed and so much remains the same.

The historic Palace remains your hometown theatre; a place to enjoy a national touring artist concert or support your family, friends, neighbors, and co-workers as they take the stage in Palace produced musicals and plays. Films are back, too, and we're filling the big screen with popular movies again. We are here for you and look forward to entertaining you again this season.

Located here in the heart of downtown Marion, a developing hub at the center of this city, we are situated among new retail storefronts and restaurants that line our main thoroughfares. They join us as we welcome locals and out-of-town guests alike. I invite you to head out early, come and shop a while, dine in downtown or at one of Marion's other local eateries before you visit the theatre and then pick up some ice cream or drinks after the show. We're all working together to make Marion a community of experiences. Your support makes a difference.

As some things remain the same, others are changing. While it is my great joy to welcome you back to the Palace, I am also wishing you all a fond farewell. My time as the Executive Director here is drawing to a close. It has been the honor of my life to serve in this capacity for the past 10 years. When I walked through the doors in 1998 as a part time employee, I had no idea what the future would hold. As it turns out, I've worked alongside some of the most amazing people – staff, board, and local talent; met the kindest, most supportive members and patrons; seen unbelievable generosity; and experienced memory-making moments that I'll cherish the rest of my life. Thank you for the privilege of enjoying the Palace with you. She's a gem...and so are you.

THEATRE INFO

BOX OFFICE HOURS - The Box Office, located at 270 W. Center Street, is open Monday, Tuesday, Thursday and Friday 9am to 5pm and one hour before each performance and 45 minutes before films. Closed Wednesday, Saturday, and Sunday. We strongly encourage patrons to purchase event tickets in advance when possible. Buying tickets early provides the best selection of seating and no waiting in line. Please note that when the Box Office is open prior to an event, only tickets for that particular show are on sale.

SAFETY GUIDELINES - To improve air quality and promote health, the Palace HVAC system now includes MERV13 rated filters and a UV filtration system. We will continue to observe safety guidelines as they continue to evolve with time.

LOST & FOUND - The Palace staff takes reasonable steps to locate the owner of lost property but cannot be responsible for lost property or its return. If you believe you left something behind at an event, please contact the theatre during box office hours. Found items are kept for three months.

PURCHASING TICKETS - The Palace accepts cash, checks, debit cards, MasterCard, VISA, American Express, and Discover. Patrons may purchase tickets by phone or in person. Most tickets are available online 24/7 through the Palace website. Online ticketing fees apply (\$5 per ticket).

REFUND POLICY - All sales are final. Current PCAA members may exchange tickets for a future Palace sponsored performance of the same value or pay any additional charges. Tickets must be returned to the Box Office at least 7 days in advance of the event. A \$10 per ticket exchange fee will be assessed for non-PCAA members. PCAA members may exchange free of charge.

FOOD & BEVERAGES - Only food and beverages sold at the Palace concession stand or bar may be consumed at the theatre. These items are permitted in the auditorium.

SEATING POLICY/THEATRE ETIQUETTE - We want everyone who attends a live theatre performance to enjoy his or her time at the Palace. Please refrain from conversation and use of electronic devices during the performance. Late arriving patrons may be seated at the rear of the auditorium until intermission or an appropriate break in the performance.

SPECIAL ASSISTANCE - The theatre is handicap accessible. If you or your companions require any assistance, simply ask one of our ushers. For those with hearing impairment, please see the House Manager for an assisted listening device. A limited number of devices are available at no fee.

RECORDING DEVICES - Please turn off all cell phones and electronic devices. Use of recording devices is a violation of copyright law and is strictly prohibited. Should an artist allow "no flash" photos, it will be posted in the lobby.

SMOKING - All interior areas of the Palace and May Pavilion are smoke free (this includes e-cigarettes). Patrons who smoke must do so outside the building at least 15 feet from front doors, windows, and intakes.
