# Welcome Back

**Kirk Detweiler**  
Executive Director

I rel remember coming to watch movies at the Palace Theatre as a kid in the early 1970s and recall the sticky floors and broken seats. This was, of course, before the Palace Guard took ownership of the fractured beauty and invested over half a million dollars and a lot of hard work in restoring the Palace to her former grandeur.

Fast forward to 1977, and I am a geeky, awkward 15-year-old, nervously auditioning for that year's summer musical, "Oliver!" I was a bit too old

to play Oliver and a bit too inexperienced to play the Artful Dodger; but I made a fine pimply faced orphan! Nevertheless, my childhood memories of the Palace are ones I will always cherish. That 15-year-old never in a million years dreamt that one day he would work at the Palace, much less be the Executive Director. But here I am. My pimples are gone, but I'm still a theatre geek. I even spell "theatre" the ENGLISH way.

I am sure many of you also have fond memories of the Palace. I am so impressed that a relatively small town like Marion has such

wonderful community support.

After being shuttered (or running a very limited program) during the early parts of the COVID pandemic, the theatre could not have survived without the generous support of our show sponsors, members, local businesses and donors. Speaking of which, if you are not a member, it is so easy to join. Just contact our Box Office team during open hours by phone (740) 383-2101 or

in person. If you'd like to sponsor an upcoming show, email me directly at [director@marionpalace.org](mailto:director@marionpalace.org). The support we receive from our members and sponsors is invaluable and helps offset our production costs and keeps ticket prices reasonable. We at the Palace are also very proud to be a part of the revitalization of downtown Marion. We try to do our part in supporting local restaurants and businesses. We encourage everyone to shop and eat locally before or after your visit to the Palace.

As we adapt to living with the pandemic, we have implemented some new things at the Palace, including voice lessons with Jami Rawlins along with Thursday Trivia and line dance classes, hosted by yours truly. We are currently putting together a dynamite schedule for

next season, which will include stars, local productions, tribute shows, local bands, traveling Broadway shows and, of course, movie weekends. We hope to see you at each and every Palace show and event!

## LOCAL ORGANIZATIONS HELP FUND THEATRE UPGRADES

As technology continues to evolve and improve within the entertainment industry, the PCAA recognizes the need to stay in step with current trends and capabilities. New products and services for venues often come with a hefty price-tag, making some upgrades nearly impossible for the Palace. In 2021, the theatre's 20-year-old failing sound system fell into disrepair. The cost of replacement- \$200K. Fortunately, with funding from

The Robert and Dorothy Wopat Community Fund and Palace Theatre Perpetual Care Fund at **MARION COMMUNITY FOUNDATION**, a new state-of-the-art sound system became a reality in January 2022 thus providing Palace patrons an enjoyable and elevated listening experience.

Recently, **THE MARION ROTARY CLUB** generously provided grant monies to help purchase the theatre's Nord Stage 3 Keyboard.

The PCAA is grateful for both organization's ongoing support of the Palace and for keeping the Marion community moving forward. Thank you!
